1.4. A rights-based perspective

Monday 29th May

11.45–13.15

Children as dependents in emergency situations.

Anne Kristine Bergem

The Best for Children

– National competence Network for

Children as next of kin

Norway.

Children as dependants in Norway

Health legislation

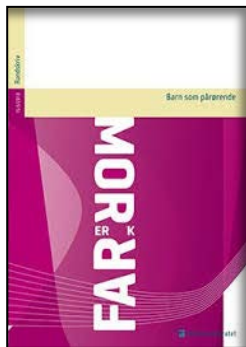

Act relating to health professionals

§ 10a. Health care professionals' duty to help safeguard minor children as next of kin.

§ 25, paragraph 3. Information to co-operating professionals.

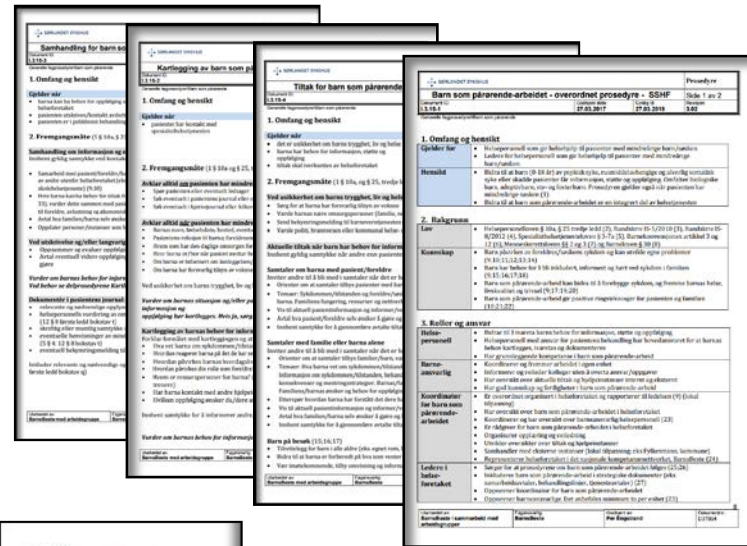

Act relating to the specialist health service

§ 3-7A. About children responsible health professionals.

Circular IS-5/2010
Children as next of kin.

Multidisciplinary clinical practice guidelines for hospitals

National guideline for involvement and support for relatives throughout the health and care services

For demonstrations, handouts and more information find us at the exhibition area!

Children as dependants

In hospital

In the communities

BUT

What about emergencies?

Thea, 4 years old

What does a child need?

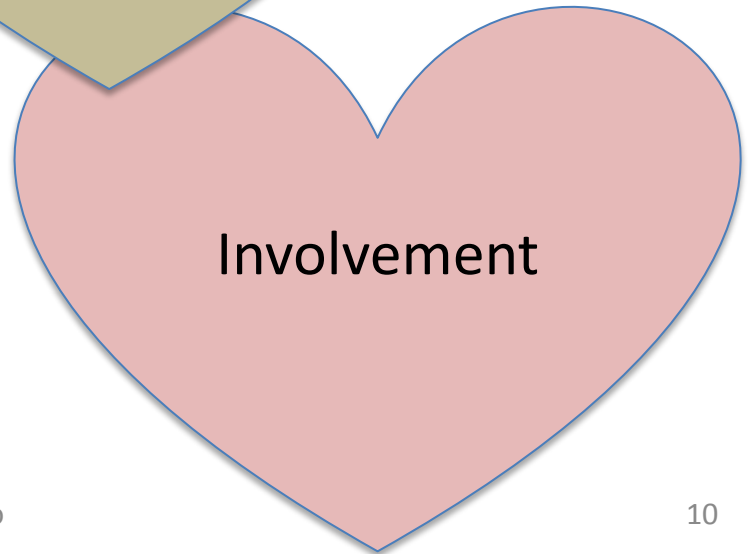

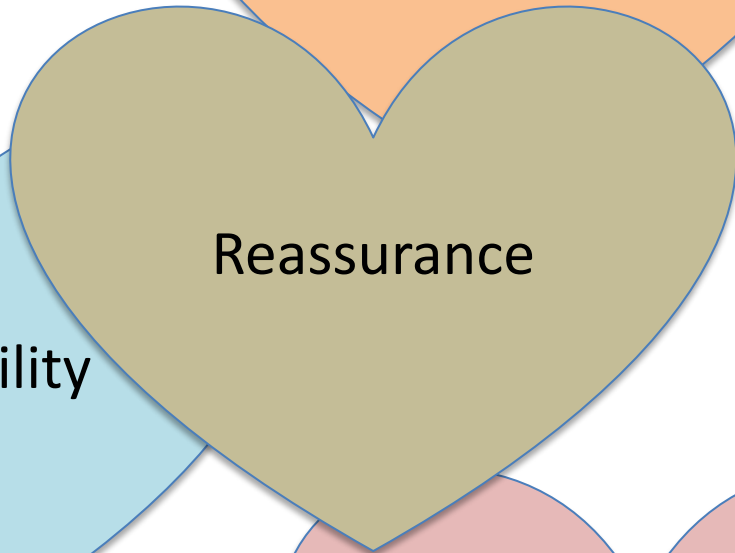

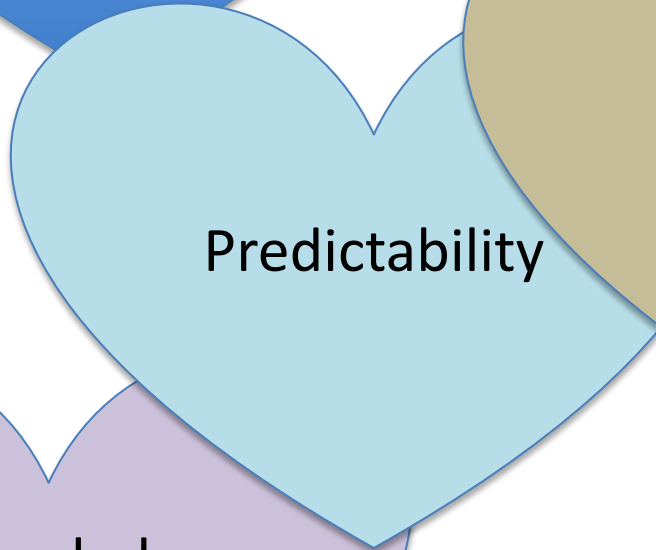

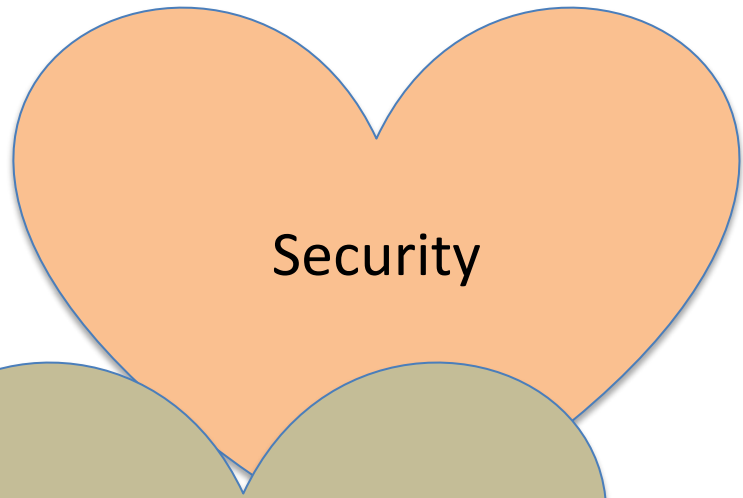

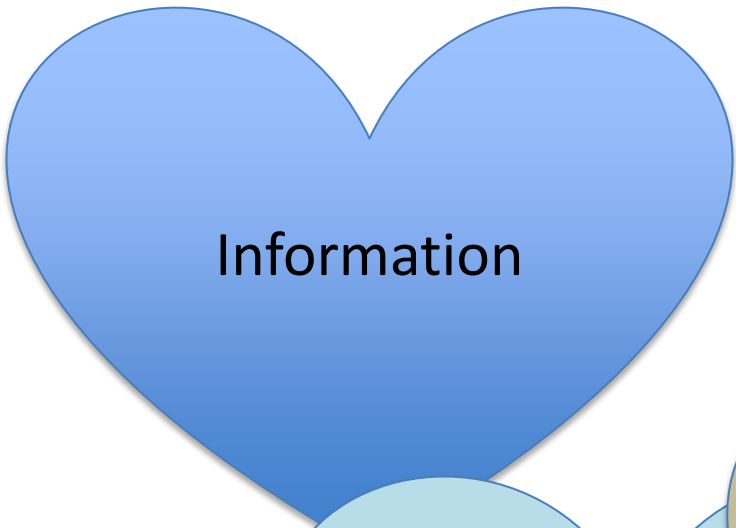

Attachment

The circle of trust

The UN Convention on the Rights of the Child

3. BEST INTERESTS OF THE CHILD - In all actions concerning children, whether undertaken by the authorities or organisations, the primary consideration shall be the best interests of the child. The state shall ensure that the institutions and services responsible for the care or protection of children shall conform with the established standards, particularly in the areas of safety and health, in the number and suitability of their staff, as well as competent supervision.

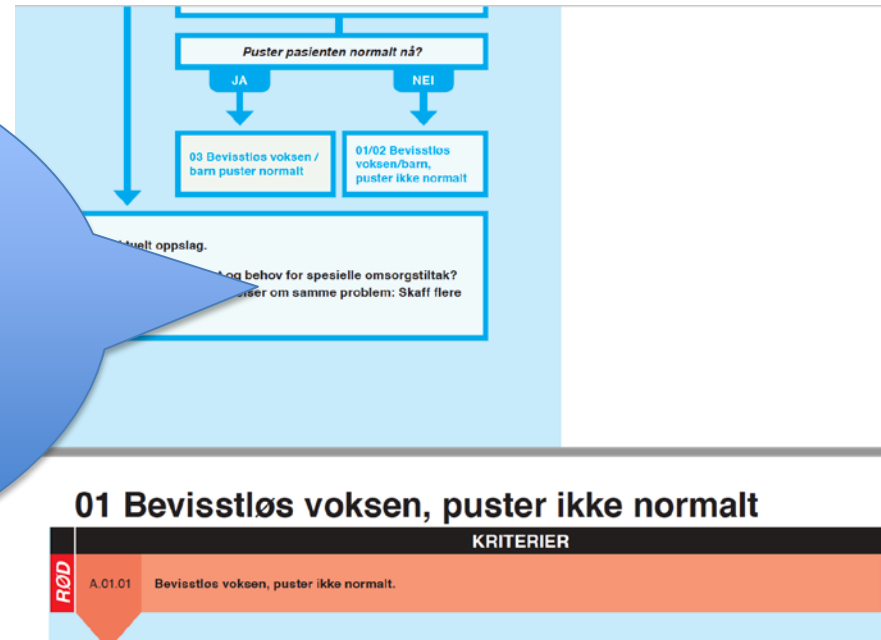

What to do?

At the Dispatch Center

From the new version of the
"Medisinsk index"

- Children at the pick up site?

Are children present at the pick up site?

In the situation

Be direct
Be honest
Use real words
Don't assume

Goal

- 

Let healthy
children stay
healthy

Worried?

Child protection services
